

## French Anti-Semitism; Frogs: Demons Who Perform Miracles that Influence World Leaders; The Courage of Bush to Resist the Dark Side

And the commandments are for certain ambassador demons to influence the leaders of the world to assemble for war in Palestine. The Antichrist and the False Prophet issue these commands to ambassador demons whose mission is to carry out Lucifer's plan for world war.

These demons are described by John as being "like frogs," the masculine plural of the noun:

**ὡς βάτραχος, *hōs batrachos*** - "like frogs"

46. Now, I know what you're thinking. But this does not mean they are French. But you're not that far off. Their duty is, by political intrigue, to motivate the leadership of a future-day Axis of Evil to take up arms against Israel and ultimately against the armies of Jesus Christ.

The French today are serving as human conduits for the proliferation of terrorism by the present-day Axis of Evil. The French are generally anti-Semitic, and their President is speaking like a frog to the increasingly lucrative Muslim vote in the country. The anti-Semitic angle is the subject of this wire service report from last Saturday:

**Godard, Jean-Marie. "France Cracks Down on Anti-Semitic Acts," *Associated Press*, 12 Apr 2003:**

PARIS - Police were on heightened alert for possible anti-Semitic acts as 11,000 protesters marched through Paris on Saturday demanding the withdrawal of U.S.-led forces from Iraq.

Anti-war demonstrations in France have increasingly become a forum for a mixture of groups — including some supporting Iraqi President Saddam Hussein or rallying against Israel. Four members of a Jewish leftist youth movement were beaten up at demonstrations March 22, in which 90,000 people took part.

A national study released late last month said that violent hate crimes quadrupled in France in 2002 to the highest level in a decade, with more than half the assaults aimed at Jews.

- 47- But the anti-Semitism that has plagued the Church Age is tame by comparison to that which is prophesied for the Tribulation. The sieges of Jerusalem by Sennacherib, Nebuchadnezzar, Antiochus Epiphanes, and Titus Vespasianus were child's play.

The horrors of the Spanish Inquisition, the German Holocaust, the Soviet pogroms can only suggest what awaits the Jews of the Tribulation. And any vile acts the French are committing against Jews only attest to the fact they are no more competent at anti-Semitism than they were at revolution, or World Wars I and II, or stopping George W. Bush from going to war. The French, who are evil, are even incompetent at being successfully evil.

Lucifer's frog demons have their orders and they go about the world's capitals and begin to influence their leaders to assemble troops for war.

**Revelation 16:13 - And I saw Lucifer, the Antichrist and the False Prophet issue conspiratorial commands to three frog-like demons;**

**v. 14 - for they [ the frogs ] are spirits of demons, performing signs, which go out to the kings of the whole world to gather them together for the war of the great day of God, the Almighty.**

48. The Antichrist is indwelt by Satan and the False Prophet is indwelt by a demon. Both function as ventriloquists, demons who can manipulate the larynx of the person they possess and speak through them in order to communicate their commands to either people or other demons.
49. The documentation for this comes from the Old Testament where in numerous passages we find the word אֹב 'ov, which means "one who communicates" (James Strong, *Strong's Exhaustive Concordance of the Bible*, #178) and "ventriloquism" (R. Laird Harris, ed., *Theological Wordbook of the Old Testament*, 17, and Francis Brown, *The New Brown-Driver-Briggs-Gesenius Hebrew and English Lexicon*, 15).
50. A more complete analysis is provided by:

**Botterweck, G. Johannes and Helmer Ringgren (eds.). *Theological Dictionary of the Old Testament*. Rev. ed. Translated by John T. Willis. (Grand Rapids: William B. Eerdmans Publishing Co., 1977), 1:131; 133:**

**אֹב 'ov. Etymology.** The technique of necromancy [communication with the dead] was labeled ventriloquism. The LXX [Septuagint] uses *engastrimuthos*, "ventriloquist," in all passages except (one). (p. 131)

**Use in the Old Testament.** The Old Testament uses this expression in three different senses: (1) the pit which has been dugged [sic] out, by means of which the spirits of the dead are called up (1 Samuel 28:7f); (2) the spirit or spirits of the dead which are troubled (Isaiah 29:4); and (3) the necromancer who calls forth the spirits to get information. The prophets of Yahweh describe the audible manifestations of the 'ov as "whispering" or "chirping". The different verbs connected with 'ov indicate only that here was the source of secret information: a person "turned to" (Leviticus 19:31), "sought" (Isaiah 8:19; 1 Samuel 28:7), "used" or "consulted" (1 Chronicles 10:13) the necromancer, who asked advice of the spirit of spirits who came up out of the pit. (p. 133)

The Greek equivalent of the Hebrew word אֹב 'ov is ἐγγαστρίμυθος, ***engastrimuthos***. It is defined by Henry Liddell and Robert Scott (*A Greek-English Lexicon*, 467) as "ventriloquist." This word is not used in the New Testament although situations that indicate an *engastrimuthos* demon is present are quite numerous, e.g., the demoniac in Mark 5:1-13 (Luke 8:26-33), Acts 19:13-16, and Revelation 16:13-14.

The ability of an *engastrimuthos* demon to indwell and influence the thinking of an unbeliever enables it to manipulate the larynx of this person and thus communicate through him. The Colonel gives an excellent explanation of this phenomenon of the Invisible War in:

**Thieme, R. B., Jr. *Satan and Demonism*. 3d ed. (Houston: R. B. Thieme, Jr., Bible Ministries, 1996), 29:**

***The Engastrimuthos Demon.***

**Isaiah 8:19 - And when they [false prophets] say to you, "Consult the mediums and the spiritists who whisper and mutter," should not a people consult their God? Should they consult the dead on behalf of the living?**

The word “medium” is a translation of the Hebrew **אֹב** (**’ov**), the equivalent of the Greek *engastrimuthos* which means “ventriloquist.” A ventriloquist demon sometimes produces within the medium a strange cacophony of whispers (high sounds) and mutters (low sounds). At other times he projects his voice out from the ground, up from the table, or down from the ceiling. Frequently the demon controls the vocal cords of the medium in a clever impersonation of the dead. The *engastrimuthos* demons must possess and control the mediums through whom they speak.

For example, a demon who indwelt someone in India a thousand years ago may presently indwell someone in Los Angeles. Through this person the *engastrimuthos* demon impersonates any number of people from India who lived during that ancient time. Since no language barriers exist for demons, the demon is able to make it seem as though personages from different eras of history are projected into our century.

Now with all this information in mind we go to one last reference:

Thieme, R. B., Jr. *Armageddon*. 2d ed. (Houston: R. B. Thieme, Jr., Bible Ministries, 2002), 17:

***The Frog Demons.***

**Revelation 16:14 -** For they are spirits of demons, performing signs, which go out to the kings of the whole world, to gather them together for the war of the great day of God, the Almighty.

For centuries demons have operated undercover, but in the Tribulation they assume major roles and their activities become highly visible. These demons are said to be “like frogs” (Revelation 16:13). The croaking noise of the frog is used here as an analogy to the boastful promises of these future tyrants. The summit talks which precede the alliance between the demon-possessed beast and the false prophet are actually the mouthings of demons.

These demons also provide the power for the dictators to perform pseudomiracles which are designed to captivate people. In the Tribulation, Satan utilizes every means possible to assemble the “whole world” to do battle against God.

51. Thus the frog demons are not only *engastrimuthos* or “ventriloquist” demons, they are assigned by the commandment of Lucifer and the demon that indwells the False Prophet to go out and influence by miracles the leaders of the various world powers to wage war against each other, the Jews in Israel, and against Jesus Christ and His heavenly armies.
52. The word “signs” is the translation of the accusative plural, direct object from:  

**σημεῖον, *sēmeion* -** “sign, characteristic, or mark”; “a sign consisting of a wonder or miracle, an event that is contrary to the usual course of nature.”

Such events may find their source in divine origin or they may be of a demonic nature, worked by Lucifer and his agents. The latter is obviously the case in our passage.
53. The targets for the three frog demons are the “kings of the whole world.” This verse is yet another biblical confirmation of the Invisible War’s impact on politics.
54. It never crosses the average believer’s mind, let alone the unbeliever’s, that almost every major political figure in this world is being manipulated by Luciferian forces. Those who are not are either believers who are being protected by their own spiritual status or, more likely, they are the recipients of intercessory prayers.

55. George W. Bush is apparently the beneficiary of both these sources of protection. He has challenged the Dark Side and has been successful so far because of the righteousness of his cause.
56. Terrorism operates without standards. It is a system of organized evil that is typical of the tactics utilized by the ruler of this world. His agents wear no uniforms, rarely have visible ties with established governments, and use hit-and-run, hind-and-seek methods of pecking away at the laws of divine establishment that protect client nation America and the Jews in Israel. Unless reined in these vigilantes will dismantle the West, destroy our way of life, and murder the Jew.
57. The terrorists have been utilizing a pressure-and-release strategy for almost 30 years and no Western leader, until now, has had the courage to lay down the gauntlet and proclaim that enough is enough.
58. George W. Bush and his administration made the valiant decision to stand up and say "No more," following the assaults of September 11, 2001. They have been criticized and analyzed and nit-picked by friend and foe alike. Very legalistic scrutiny has been hurled against the War on Terror, such as whining about the human rights of those captured in Afghanistan, or the preemptive attack on Iraq, or the cost of it all, or the fact everyone doesn't love us such as the French, the Germans, the Russians, the North Koreans, and their ilk.
59. These people are minions for the Dark Side. They are being manipulated, as always, by demons assigned to their capitals where they influence, through demon influence at best and demon possession at worst, the likes of Jacques Chirac, Gerhard Schröder, Vladimir Putin, and Kim Jong Il.
60. This is nothing new. Such political intrigue has been a part of the Invisible War since Cain was motivated to slay Abel. It is true today. It will be intensified to the maximum during the Tribulation which will be denied the restraining ministry of the Holy Spirit by the Rapture of the Church.
