

**Clanking Chains: Lucifer's Faculty: Assault against the Four Divine Institutions: Marriage, Eph 5:23-25; 2 Cor 6:14-17; 1 Cor 7:1-4; Family**

- 2) **Marriage:** The union of one man and one woman into a freely established corporate relationship in which the husband holds full authority and the wife willingly submits to his leadership. In the Christian marriage the husband is a type of Christ and the wife is a type of the church. The marriage bond forms the only legitimate environment for sex and the establishment of a family. It is also the basis for stability in society and is the foundation for order in a civilization.

The sanctity of the marriage contract forbids violations of trust expressed through sexual deviancies such as fornication, adultery, promiscuity, homosexuality, polygamy, communal living, and frivolous divorce.

Since marriage is the foundation of a stable society its diminishment within a client nation signals its decline.

**Ephesians 5:23** - The husband is the ruler of the wife just as Christ also is the ruler of the Church. He Himself is the Savior of the body.

**v. 24** - As the Church is continually subordinate to Christ so also wives are under the authority of their husbands in everything.

**v. 25** - Husbands, each one of you love your wives as Christ loved the Church and delivered Himself over in a sacrificial way as a substitute for her.

**2 Corinthians 6:14** - Do not be bound together with unbelievers; for what partnership have righteousness and lawlessness; or what fellowship has light with darkness?

**v. 15** - Or what harmony has Christ with Belial, or what has a believer in common with an unbeliever?

**v. 16** - Or what agreement has the temple of God with idols? For we are the temple of the living God.

**v. 17** - "Therefore, come out from their midst and be separate," says the Lord. "And do not touch what is unclean."

**1 Corinthians 7:1** - Now concerning the things that you wrote to me about. It is good for a man not to touch a woman.

**v. 2** - Nevertheless, because of fornication, let every man keep on having his own wife, and let every woman keep on having her own husband.

**v. 3** - Let the husband fulfill his duty to his wife; and likewise also the wife to her husband.

**v. 4** - The wife does not have the authority to arouse her own body, but the husband does; and likewise also the husband does not have authority over of his own body, but the wife.

- 3) **Family:** The second fundamental organization in society. It is created when the husband and wife have children. The home provides children organized humility in an environment of material protection, provision, security, discipline, guidance, and parental love.

The family provides the framework for maintaining order in the society. Children are taught establishment and biblical norms and standards, the clarity of absolute rights and wrongs, and authority orientation. Without these principles the child will ultimate violate established community standards and by age 13 become an organized terrorist.
