29. Religion does not possess and therefore cannot offer any of these privileges or opportunities:
- Matthew 7:15** - "Beware of false prophets, who come to you in sheep's clothing, but inwardly are ravenous wolves.
- Galatians 4:17** - They are working to influence you but they have ulterior motives; on the contrary they hope to convince you that you are in error [regarding the doctrine you have learned] in order that you may support them. (EXT)
- 2 Timothy 4:3** - For the time will come when they [reversionists] will not endure sound doctrine; but wanting to have their ears tickled [ideas that appeal to their lust patterns], they will accumulate for themselves teachers [faculty of the Academy of Cosmic Didactics] in accordance to their own desires.
- v. 4** - and will turn away their ears from the truth [negative volition in Cosmic One & Two] and will turn aside to myths [delusions of human viewpoint].
- 1 John 4:1** - Fellow believers, stop believing every eloquent speaker, but keep analyzing them as to whether they are from God, because many false teachers have gone out to evangelize for the cosmic system.
- v. 2** - By this learn to recognize that person who is from God. If every honorable minister who teaches that Jesus Christ has come in the flesh [hypostatic union], he is from God.
- 1 John 4:3** - In fact, every persuasive speaker who does not teach this Jesus of authentic Christianity is not from God. Furthermore, this false teacher is the persuasive spirit of antichrist [Lucifer], about whom you have heard is coming [the Satan-possessed dictator of the revived Roman Empire of the Tribulation], and now is already in the world [Lucifer is the inventor of the *cosmos diabolicus*].
- v. 4** - You are from God [true aristocracy functioning inside the bubble]. You have overcome them [momentum tests]; because greater is He that is in you [the Holy Spirit] than he that is in the world [Satan].
- v. 5** - They are from the cosmic system; therefore they teach [faculty of the cosmic academy] from the source of the cosmic system [curricula of the lie], and those in the cosmic system listen to them.
- v. 6** - We [apostles] are from God. He who has come to know God keeps on listening to us, but he who is not from God does not listen to us. For this reason we have come to discern the spiritual significance of doctrine [truth] and the pervading influence of error [the lie].
30. This pervading influence includes religion. The religions that are practiced today and thus are identified and condemned in this First John passage include pantheism, Polytheism, Deism, Hinduism, Islam (Sunni, Shiite, and Druze), Buddhism, Confucianism, Taoism, Mormonism, Wiccan, and Dirt Worshipers.
31. These are samples of the religions that Lucifer is utilizing to blind the minds of billions of people around the world today.
8. **Anthropocentric Academic Speculation:** We begin with a definition of terms:

Anthropocentric: A belief that humans are the most significant entity of the universe. It views the world in terms of human values and experiences.

Academic: A body of established opinion widely accepted as authoritative in a certain field.

Speculation: The meditation and pondering of certain subjects; to assume to be true even though based on insufficient evidence.

Thus, anthropocentric academic speculation is the assumption that an idea is true because it is man-centered and is held to be true by widely accepted authorities.
