

The Advanced Stages of Reversionsism

MATAIÓTĒS

Walk no longer just as the Gentiles walk, in the futility (*mataiótēs*) of their mind, being darkened (blackout of the soul) in their understanding, excluded from the life of God because of the ignorance that is in them, because of the hardness of their heart; and they, having become callous (scar tissue of the soul), have given themselves over to sensuality for the practice of every kind of impurity with greediness. But you did not learn Christ in this way. (Eph. 4:17-20, NASB)
