BAD DECISIONS LIMIT FUTURE OPTIONS

GOOD DECISIONS BROADEN FUTURE OPTIONS

If you have not made a choice about your eternal future, you are without Christ, without hope, and without eternal life. You stand guilty, destined to the lake of fire. However, Jesus Christ had you personally in mind when He went to the cross. Christ took your place and accepted your punishment. He died as your substitute.

“God demonstrates His own love toward us, in that while we were yet sinners, Christ died (as a substitute) for us.” (Romans 5:8)

God has given you the freedom to make your own choice about Jesus Christ. Right now, at this moment, by a simple act of faith you can have eternal life.

“He gave His only begotten (uniquely born) Son, that whoever believes in Him should not perish, but have eternal life.” (John 3:16b)

This is your opportunity to receive God’s gift to you. Your choice for Christ is a private decision. No one else can make that decision for you. No one has the right to force you to make any decision. You must decide for yourself. In the privacy of your own soul, you can simply tell God the Father you are believing in Jesus Christ. In that very moment, your eternal future will be assured.

If you decide to believe in Christ, you can be confident you have eternal life. You will share an eternal relationship with God. You will live with Him forever in heaven. Faith alone in Christ alone is salvation!

The choice is *yours!*
