

I. Know the Plan - 2 Peter 3:16-18: Isaiah 52:13-53:12

Point 71 was introduced with a review of a previous study of Isaiah 52:13 through Isaiah 53:1-12.* The purpose was to remind everyone of one of the major Old Testament prophecies which document the deaths, burial, and resurrection of the Messiah. This is pertinent to point 71 which takes up the post-resurrection period of our Lord. There we note Luke 24:13-Luke 24:49 which documents Jesus of Nazareth as the Messiah prophesied by Isaiah.
