

VI. Laws of Divine Establishment and the Royal Family Honor Code: Quentin Swafford

The second session was turned over to Quentin Swafford, Director, Glenhaven Youth Ranch; Plainview, Arkansas.

Quentin gave a progress report on Glenhaven, discussed Ranch policy and procedure from acquiring a youth to the time he is returned to his family. He elaborated on the problems which are confronted by the Glenhaven staff and how these are dealt with and resolved.

Although Quentin's address was not a scheduled part of the Christian Way of Life series, the subject matter served as a poignant illustration of the dilemma faced by our nation because of the absence of morality and integrity within the Zeitgeist. Consequently, it is recorded as lesson 62 of the overall study and the tape should be listened to in sequence with the other lessons.

The context of the series from lesson 61 continues with lesson 63 on Tuesday, 7 February 1995: "Europe's First Church."
